In case the Oversubscription Option is partly exercised or not exercised at all during the Offer Period, the Bonds under shelf registration will be automatically increased by such principal amount of the Oversubscription Offer Bonds that will not be taken up or exercised.

The Offer Bonds will be listed and traded on the Philippine Dealing & Exchange Corp. (“PDEX”). The Offer Bonds will be issued on April 24, 2019 (the “Issue Date”) and will be comprised of the Series H Bonds, the Series I Bonds and the Series J Bonds. While the Issuer has the discretion to allocate the principal amount among the Series H Bonds, Series I Bonds and Series J Bonds based on the bookbuilding process, the Issuer may opt not to allocate any of the principal amount to any of these series. The Securities and Exchange Commission (the “SEC”) is expected to issue an order rendering the Registration Statement effective and a corresponding permit to offer the securities for sale covering the Offer Bonds.

This Offer Supplement contains the final terms of the Offer Bonds and must be read in conjunction with the Prospectus dated March 29, 2019 (the “Prospectus”). - (b) transfers by Bondholders with deficient documents; and
- (c) transfers during a Closed Period. For purposes hereof, “**Closed Period**” means the period during which the Registrar shall not register any transfer or assignment of the Offer Bonds, specifically: (i) the period of 2 Business Days preceding any Interest Payment Date or the due date for any payment of the Final Redemption Amount of the Offer Bonds; or (ii) the period when any of the Offer Bonds have been previously called for redemption.

Transfers taking place in the Registry of Bondholders after the Offer Bonds are listed on PDEX may be allowed between taxable and tax-exempt entities without restriction and observing the tax exemption of tax-exempt entities, if/and or when so allowed under and in accordance with the relevant rules, conventions and guidelines of PDEX and PDTC.

A Bondholder claiming tax-exempt status is required to submit to the Registry of Bondholders the required tax-exempt documents as detailed in the RPAA upon submission of the account opening documents to the Registrar. Please see the section on “*Description of the Offer Bonds – Tax-Exempt Status or Entitlement to Preferential Tax Rate*” for a detailed discussion on the requirements for claiming a preferential tax status.

Notwithstanding the submission by the Bondholder, or the receipt by the Issuer, the Registrar, the Joint Lead Underwriters and Bookrunners of documentary proof of tax-exempt status of a Bondholder, the Issuer may, in its sole and reasonable discretion, determine that such Bondholder is taxable and require the Registrar and Paying Agent to proceed to apply the tax due on the Offer Bonds. Any question on such determination shall be referred to the Issuer.

The Bondholders shall be responsible for monitoring and accurately reflecting their tax status in the Registry of Bondholders. The payment report to be prepared by the Registrar and submitted to the Issuer in accordance with the RPAA, which shall be the basis of payments on the Offer Bonds on any Interest Payment Date, shall reflect the tax status of the Bondholders as indicated in their accounts as of the Record Date.

Secondary Trading of the Offer Bonds

The Issuer intends to list the Offer Bonds on PDEX for secondary market trading and, for that purpose, the Issuer has filed an application for such listing. However, there can be no assurance that such a listing will actually be achieved or whether such a listing will materially affect the liquidity of the Offer Bonds on the secondary market. Such listing would be subject to the Issuer’s execution of a listing agreement with PDEX that may require the Issuer to make certain disclosures, undertakings and payments on an ongoing basis.

For so long as any of the Offer Bonds are listed on PDEX, the Offer Bonds will be traded in a minimum board lot size of ₱10,000, and in multiples of ₱10,000 in excess thereof. Secondary market trading in PDEX shall follow the applicable PDEX rules, including rules, conventions and guidelines governing trading and settlement between Bondholders of different tax status, and shall be subject to the relevant fees of PDEX and PDTC, all of which shall be for the account of the Bondholders.

RANKING

The Offer Bonds shall constitute the direct, unconditional, unsecured and unsubordinated obligations of the Issuer ranking at least *pari passu* and ratably without any preference or priority among themselves and at least *pari passu* with all its other present and future, contingent or otherwise, unsecured and unsubordinated obligations of the Issuer, (except for Indebtedness mandatorily preferred by law, and preferred claims under any bankruptcy, insolvency, reorganization, moratorium, liquidation or other similar laws affecting the enforcement of rights of the creditors generally and by general principles of equity but not the preference or priority established by Article 2244, paragraph 14(a) of the Civil Code of the Philippines), but in the event

of insolvency, such financial obligations shall be absolute and unconditional only to the extent permitted by Applicable Law relating to creditors' rights generally.

The interest shall be calculated on a European 30/360-day count basis, regardless of the actual number of days in a month.

REDEMPTION AND PURCHASE

For the avoidance of doubt, the Bondholders shall not have any right to cause the Issuer redeem the Offer Bonds pursuant to this Optional Redemption Option.

The amount payable to the Bondholders upon exercise of the optional redemption by the Issuer shall be calculated based on the principal amount of the Offer Bonds being redeemed, as the sum of (i) the accrued interest computed from the last Interest Payment Date up to the relevant Optional Redemption Date; and (ii) the product of the principal amount of the Offer Bonds being redeemed and the optional redemption price in accordance with the table above.

Notice of Default

The Trustee shall, within 5 Business Days after receipt of written notice from the Issuer or the Majority Bondholders of the occurrence of an Event of Default, give to all the Bondholders written notice of any such Event of Default unless the same shall have been cured before the giving of such notice; provided, that in the case of a Payment Default (as described in paragraph (a) of the "Description of the Offer Bonds – Events of Default") the Trustee shall immediately notify the Bondholders upon the occurrence of such Payment Default.

Penalty Interest

In case any amount payable by the Issuer under the Offer Bonds, whether for principal, interest, or otherwise, is not paid on the relevant due date, the Issuer shall, without prejudice to its obligations to pay the said principal, interest and other amounts, pay a penalty fee on the defaulted amount(s) at the rate 12% per annum (the "**Penalty Interest**") from the time the amount fell due until it is fully paid in accordance with the Terms and Conditions of this Offer and the Trust Agreement.

Payments in the Event of Default

Upon the occurrence of any Event of Default, and provided that there has been a Declaration of Default and acceleration of payment of the Offer Bonds by the Majority Bondholders, then in any such case, the Issuer will pay the Bondholders, through the Paying Agent, the whole amount which shall then have become due and payable on such outstanding Offer Bonds with interest at the rate borne by the Offer Bonds on the overdue principal and with Penalty Interest, where applicable, based on the payment report no later than the Default Payment Date. The Issuer also undertakes that it shall give the Trustee written notice of its intention to make any payments under this paragraph.

Application of Payments

Any money collected by the Trustee as a consequence of a Declaration of Default and any other funds held by it, subject to any other provision of the Trust Agreement relating to the disposition of such money and funds or to the RPAA, shall be applied by the Trustee in the order of preference as follows:

Remedies

All remedies conferred by the Trust Agreement to the Trustee and the Bondholders shall be cumulative and not exclusive and shall not be so construed as to deprive the Trustee or the Bondholders of any legal remedy by judicial or extra judicial proceedings appropriate to enforce the conditions and covenants of the Trust Agreement subject to the discussion under "*Description of the Offer Bonds – Ability to File Suit.*"

No delay or omission by the Trustee or the Bondholders, to exercise any right or power arising from or on account of any default hereunder shall impair any such right or power, or shall be construed to be a waiver of any such default or an acquiescence thereto; and every power and remedy given by the Trust Agreement to the Trustee or the Bondholders may be exercised from time to time and as often as may be necessary or expedient.

Waiver of Default by the Bondholders

The Majority Bondholders may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee, or may, on behalf of the Bondholder, waive any past default except the Events of Default defined as a Payment Default, insolvency default (paragraph (i)) or closure default (paragraph (k)), and its consequences. In case of any such waiver, the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights under the Trust Agreement; provided, that, no such waiver shall extend to any subsequent or other default or impair any right consequent thereto.
